

# TSPDT's 1,000 Greatest Films Companion

## 2025 Edition

Notes by Bill Georganis

This PDF companion contains every critic's pick that contributed to TSPDT's current 1,000 Greatest Films.

The 2025 version of TSPDT's 1,000 Greatest Films is primarily based on 10,025 personal lists of favourites, from critics and filmmakers (ranging from 1930 to 2024). These are referred to as A-Lists ([https://www.theyshootpictures.com/gf1000\\_all1000films\\_sources.htm](https://www.theyshootpictures.com/gf1000_all1000films_sources.htm))

Also factored in (though, to a much lesser degree) are 6,849 miscellaneous lists. These are referred to as B-Lists ([https://www.theyshootpictures.com/gf1000\\_all1000films\\_sources.htm](https://www.theyshootpictures.com/gf1000_all1000films_sources.htm))

Whilst perusing this document, please keep in mind that I have used a reasonably straight-forward set of formulas to derive the 1,000 Greatest Films, from a starting list of 25,562 films. These formulas primarily take into account the quality/reputation of the critic/filmmaker/miscellaneous poll, and the age of the poll (e.g., the 2022 Sight and Sound poll is weighted higher than the 2012 poll).

Under each film title, individual best-of mentions (A-Lists) are listed first, followed by miscellaneous lists (B-Lists, noted by one bullet), and then followed by TSPDT's recommendations (noted by 2 bullets). TSPDT's recommendations are not factored into the computations. They have been included for reference purposes only.
